Parking and Building Entry Instructions

Once you pull into the Monarch Plaza/The Whitley drive, you want to head to the parking deck. It is located behind the building and can be accessed on both sides. The parking deck serves three buildings so make sure you pay attention to the signs so you can park near Monarch Plaza instead of a different building. Once you park, you want to head towards the stairs or elevator. From there, go to level 4, the lobby. Once you are inside the lobby you will need to head down the hallway to a second elevator. You will pass a jewelry store, a florist, an entrance to **The Whitley (formerly Ritz Carlton)**, and a restaurant on your left while you approach the elevators. The second elevators are on your right, across from the Concierge desk. Take the elevator to level 8 and you will see Focus Pointe Atlanta when you step out of the elevator.
